Hi all -

Here is a draft agenda for the Portland Harbor Managers meeting scheduled for Wednesday, February 14.

The Round 2 Report roll-out meeting is March 1. I need to have a fairly accurate head-count available by the end of next week, so please confirm with me who will be attending for the Agencies and partners. At the last meeting, we discussed that EPA and partners would consider the types of topics they'd like to see covered in future meetings. Please be prepared to talk about some of these possible topics at the meeting on Wednesday.

thanks  
valerie
